STAFF

Happy Summertime Friends!

When discussing the theme of our 2017 Annual Report, we all agreed that "Heroes" would be perfect. After all, Webster's defines the word Hero as: "a person who is admired or idealized for courage, outstanding achievements, or noble qualities." What better way to describe a community of people and organizations who enable the RMHFW to fulfill its mission on a daily basis? Our Staff, Board, Volunteers, Red Shoe Society, Student Volunteer Network, Community Partners and Donors all collectively work together for our **SUPER HEROES** – the children and families we serve.

We continue to be amazed at the strength, resiliency and courage our super heroes exhibit each and every day. Faced with adversity, their determination, willpower and resolve inspire us over and over again.

Last year, we hosted a new daytime luncheon called House Talk. There, guests enjoyed lunch while listening to panelists share what RMHFW meant to them from their perspective. This event enabled us to make new friends and provided an avenue for us to educate the community about RMHFW and our services; 2017 also brought renewal and refreshment to our facility by the renovation of 37 family bedrooms. As a result, rooms marked offline due to maintenance issues are rare, allowing us to admit more families each night. Once our renovation project was complete, we began to focus on what we can do as an organization to expand our mission.

We are thrilled to announce a brand new program at RMHFW called the **DAY PROGRAM**. This program will allow families who might not need to stay at the House in the traditional manner to utilize our facility during the day. This will be a wonderful respite where children and families can come to RMHFW to rest, relax, enjoy meals, and utilize our laundry facilities, game rooms, and/or our media rooms. By opening our doors during the day for families, we anticipate being able to share our mission with local families as well as those who live farther away.

Also coming in 2018 will be the development and adoption of another new program known as **HOSPITALITY A LA CARTE**, whereby carts will be built to resemble a House. The carts will be stocked with snacks, beverages, small toys, activity books, toiletries, etc. Volunteers will manage the carts in area hospitals. Once again, this program will allow us to extend our mission beyond the walls of the Ronald McDonald House.

Thank you, friends, for your loyal, steadfast support of RMHFW. By believing in RMHFW, YOU are serving as a hero to nearly 1,000 children and families we serve each year.

With sincere gratitude,

Jennifer

2017 **HERO** Report

The Red Shoe Society (RSS) is a diverse group of young professionals dedicated to the mission and vision of RMHFW. As a dues-paying organization, RSS is now over **200 HEROES STRONG!**

The RSS comes together each year to form events, which financially benefit the House and spread the mission of the organization.

\$56,512 RAISED

In December, RSS members, led by Lucy Ives, and working with House families, painted a mural to highlight the toy closet. Located upstairs in the 7th avenue wing, this is the second mural painted by RSS.

The 3rd annual Rise, Rally & Red Shoes cooked up a great event by raising **\$26,892** for the House! Look to October 13, 2018 for the next one.

Aiden bravely fought cancer and is now in remission. After staying with us for 272 days, he and his family went home last spring. Aiden's friends are also RMHFW heroes. When Aiden returned for follow-up visits, they donated wishlist items for other families to use. Aiden even asked for toy donations to RMHFW in lieu of birthday gifts.

FAMILY
Heroes

"Siblings are the best medicine. Lydia does not treat him differently. He has always just been Levi, her big brother," says Levi's mom, Sarah.

There's not a whole lot that slows down Levi - not even receiving a new KIDNEY! He embodies all the characters of a SUPER HERO. When people see the smiley blond-headed Levi walking down the halls of the Ronald McDonald House, they would never guess there's anything wrong. He's talkative, yet ever so mellow. He's tiny, but never overseen. He's really just your typical little boy, who loves riding his bike, playing with his little sister, Lydia, and pretending to be Ironman at times. It is not until he walks up to you, lifts up his shirt that you realize he is a real life superhero. Levi was born with one kidney and diagnosed with Klinefelter's Syndrome, which is a rare genetic condition that affects fewer than 200,000 males a year. He received a kidney transplant in June 2017.

WILD GAME Dinner

Each year, we get a little wild at the annual **Fort Worth Club Wild Game Dinner** and 2017 was no different, except that we raised a net record-breaking **\$317,669** for the mission of the Ronald McDonald House!

Event Chair Don Marable, RMHFW board member and Fort Worth Club member, and co-chair Ryan Haggerty worked with a terrific committee, including our presenting sponsors **Jeff Morton and Dale Gilreath of Gilco Contracting**.

The Downing family shared the journey of their twins early arrival and their stay at the House. Their son was given a 20% chance of survival and their daughter was only given a 0% chance. The twins are now two years old.

CELEBRITY BARTENDERS

Ryan Haggerty and Don Marable were celebrity bartenders at Grace last August. In 2018, Ryan will co-chair the event with Trevor Baker.

2017 marked the third **Roadhouse** event for the House. With **presenting sponsor Motor Home Specialist**, we welcomed three wonderful entertainers to our stage, Wade Bowen, Josh Weathers and Austin's Rose. The Pavilion at Will Rogers was the ideal venue for our almost 600 guests. Under the strong leadership of **Gloria Starling** and **Kurt Schaal**, we raised **\$156,972** net.

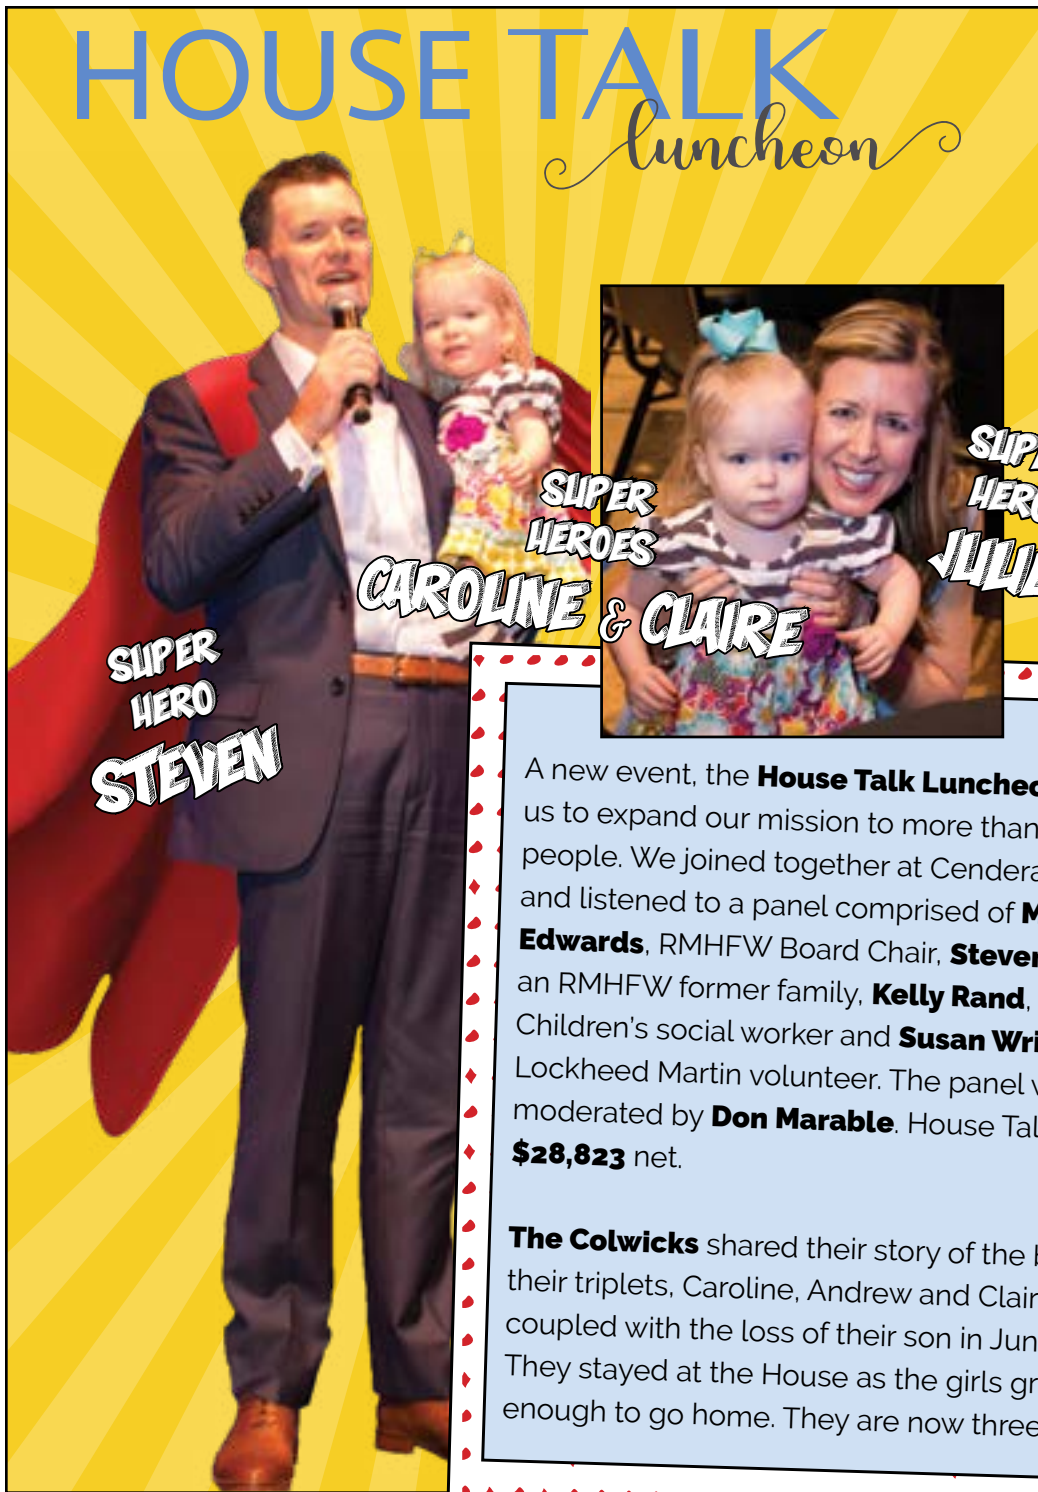

THE DELEONS shared their House experience through a video and Kaitlyn was presented with a Dak Prescott autographed photo at the event. Kaitlyn's cancer presented in tumors which are located behind her eyes. They stayed at the House for over eight months.

EVENT
Heroes

A new event, the **House Talk Luncheon**, allowed us to expand our mission to more than 400 people. We joined together at Cendera Center and listened to a panel comprised of **Mary Edwards**, RMHFW Board Chair, **Steven Colwick**, an RMHFW former family, **Kelly Rand**, Cook Children's social worker and **Susan Wright**, Lockheed Martin volunteer. The panel was moderated by **Don Marable**. House Talk raised **\$28,823** net.

The Colwicks shared their story of the birth of their triplets, Caroline, Andrew and Claire, in 2015 coupled with the loss of their son in June 2015. They stayed at the House as the girls grew strong enough to go home. They are now three years old.

Susan and Tony Arnold first learned about the RMHFW through their decades of work with Dillard's, and their association with the distribution of the Southern Living Cookbooks that benefit Ronald McDonald Houses across the country. During their years of work at Dillard's and supporting the House, they never dreamt that they would sponsor a room at RMHFW in memory of their precious daughter Madison.

passed away one month later on March 12, 2009. Each year, the Arnold family cooks for families at RMHFW on March 12th and October 1st, Madison's birthday.

Even though the Arnold's lived locally and did not have a need to stay at the House, they knew what it is like to have a child undergoing medical treatment. **Madison's PALS** sponsored and decorated a special room at RMHFW, and they have supported numerous other charities and worthy projects in our community.
