Dear Friends, Supporters and Stakeholders,

On behalf of the Board of Directors of the Ronald McDonald House of Fort Worth (RMHFW), I proudly present the 2018 Annual Report.

As I started my two-year tenure as Board President, I spent some time thinking of the past Presidents and their amazing contributions and decisions that bring us to where we are today. Some of those include the decision to add 20 new rooms, removing the mileage restriction and relaunching the young professional group as the Red Shoe Society. And now new initiatives, such as the Day Program and Hospitality Cart programs, further expand our mission encapsulated well in our tagline, *Keeping Families Close®*.

Both of our major fundraising events, Wild Game Dinner and Roadhouse, saw record-breaking results in 2018 and will continue to grow in 2019 thanks to our wonderful supporters. We also officially unveiled the Legacy of Love Wall, which commemorates donors who leave a bequest to RMHFW in their estate plans. If you haven't seen the Heart Wall, I highly encourage you to stop by the House - it's breathtaking!

From the bottom of my heart, thank you for helping us in our mission to keep families together during some of the most trying times in their lives.

Sincerely,
Courtney Garner-Lewis, President

Happiest Greetings, Friends!

When brainstorming a theme for our 2018 Annual Report, the word "journey" came to mind. The cover quote, coupled with the beautiful hot air balloons, do an excellent job of depicting the sentiment of the various journeys Ronald McDonald House of Fort Worth (RMHFW) families travel during their child's illness or injury.

I'm excited to share with you that 2018 brought growth, not of our physical footprint, but in the way of two **new programs!** Last fall we began a **Day Program**, whereby families who do not require lodging at RMHFW can spend time away from the hospital at the House during the day. This program allows participants to enjoy meals, do laundry, rest and relax during the hours of 10:00 am – 7:00 pm. Furthermore, funding at the end of the year allowed us to purchase **two hospitality carts**. Better known as "Hospitality a la Carte," these two carts will be manned by volunteers at Cook Children's and Baylor Scott & White All Saints. Stocked with toiletries, snacks, activity books and more, the carts will serve as an extension of RMHFW and enable us to further expand our reach to children and families in our community.

The end of 2018 also brought a fabulous **renovation of the Ronald McDonald House Family Room** located inside Cook Children's Medical Center. First opened in 2004, this room doubles as the pediatric intensive care unit (PICU) waiting room. A significant contribution by the Cook Children's Women's Board along with support from RMHFW supporters, the room was revamped, redecorated, and revitalized to be cheerful and much more functional for the thousands of guests who utilize it on a yearly basis.

I recently saw a quote by Vera Nazarian that is very apropos to the mission of RMHFW. It reads, "Sometimes, reaching out and taking someone's hand is the beginning of a journey. At other times, it is allowing another to take yours." In my mind, taking someone's hand or allowing another to take yours translates to the many ways our amazing community supports our mission. Whether it's via volunteerism, financial support or the donation of much-needed goods and services, you all play an important part in the journey of a RMHFW family.

Thank you, friends, for your unwavering support of RMHFW and for helping our families through their individual journeys. While each person's journey is different, it is always our sincere desire that as a family looks back on their time at RMHFW, they felt a sense of hope, peace and support during trying times.

With sincere appreciation,
Jennifer Johns, CEO

KEEPING FAMILIES CLOSE®

The Ronald McDonald House is focused on family. Our programs give a family with a sick child what they need most - each other. Our home is more than four walls and a roof over your head. It is the intangible magic that transpires in shared moments.

"Sometimes,
reaching out and
taking someone's hand is
the beginning of a journey.
At other times, it is
allowing another to
take yours."

--Vera Nazarian

Walgreens Donations

During November 2018, Walgreens stores in the DFW market hosted a scannable fundraising campaign benefiting RMHFW. They raised more than \$24,000 for the mission of the House. Walgreens also regularly prepares meals for the families and hosts makeovers to pamper the families.

20 YEAR REFLECTION

Casey Johnson and his mother stayed at RMHFW in 1999 when he was diagnosed with acute myeloid leukemia at age 12. He reflects on the love and care she gave to him then and now, after becoming a parent, how his perspective completely changed on that time.

"I know the Ronald McDonald House made it possible to have my mother by my side when I needed her most. When staying at the House, I have never been in a place that was so emotionally special."

Casey's story was the profile for our fourth annual Roadhouse concert event on April 27, which featured Josh Weathers. You can watch his video by visiting our YouTube channel from our website.

Donor Spotlight

Jeff Morton and Dale Gilreath (pictured right), owners of Gilco Contracting, Inc., began their association with the Ronald McDonald House of Fort Worth more than 18 years ago with their involvement in the Outdoor Sportsman's Club, which hosted the annual Wild Game Dinner at The Fort Worth Club. Since then, they have been avid supporters of the organization through the Wild Game Dinner and other special events.

Jeff says, "I have really enjoyed being part of the Wild Game Dinner and watching it grow. The people who receive the help really appreciate it, and we see where the money goes." Dale says, "My best memories from the Wild Game Dinner are of families sharing their stories." They both agree that one of the best aspects of supporting the House is "the fact that the money stays here!"

Walk on with hope in your heart,

and you'll never walk alone.

Shah Rukh Khan

Hurricane Harvey hit South Texas in fall 2017, which set the Albores-Camacho family on a path northward to Cook Children's. Their son, Joel, was born with several congenital anomalies and his care required several surgeries. The family spent 284 days throughout 2017 and 2018 at RMHFW, but Joel was able to celebrate his first birthday at home. His parents say,

"You are all people of great heart! It is an excellent place where they support families that have a sick child."
