With the safety of all individuals associated with the Red Shoe Society (RSS) and the health and well-being of our fundraising event supporters of primary importance, the difficult decision was made not to proceed with in-person RSS fundraising events to benefit the mission of Ronald McDonald House of Fort Worth (RMHFW) for 2020. In a resilient and proactive response, the Red Shoe Society will be conducting a virtual cooking experience series beginning on September 30th, 2020. The first event in this monthly series is in partnership with B&B Butchers and Restaurant featuring a virtual cooking class led by Executive Chef John Piccolino. Each event ticket includes the ingredients to make a delicious dinner-for-two along with an optional wine pairing selected by the B&B Butchers and Restaurant Sommelier. The October and November dates have not yet been decided.
