- Core benefits

The Hearts & Hands Society is an annual leadership giving society whose individual members contribute at least \$1,000 annually to our Share-a-Night program at the Ronald McDonald House of Fort Worth. Membership in the Hearts & Hands Society makes you an active partner in supporting the families who turn to the Ronald McDonald House and Family Room to deal with the emotional and financial challenges of caring for a sick child. Hearts & Hands members also enjoy the benefits of dynamic community recognition and select volunteer and donor opportunities.

The Ronald McDonald House of Fort Worth allows families to focus on the health and well-being of their critically ill children by keeping families together who are in need of a community of hope, comfort and empathy. Financial contributions help provide private bedrooms, family rooms and kitchens, game rooms, playroom, business center and an outdoor playground, so families can establish normalcy at a time when their lives are anything but normal.

Through the strong network of supporters, we are able to identify needs and carry out the RMHFW mission on a daily basis. But we can't do it alone. We depend on our donors, volunteers and friends to partner with us to serve families.
