

ABOUT THE HEARTS & HANDS SOCIETY

The Hearts & Hands Society is an annual giving society whose members contribute at least \$1,000 annually to our Share-a-Night program at the Ronald McDonald House of Fort Worth. Membership in the Hearts & Hands Society makes you an active partner in supporting the families who turn to the Ronald McDonald House and Family Room to deal with the emotional and financial challenges of caring for a sick child. Hearts & Hands members also enjoy the benefits of dynamic community recognition and select volunteer and donor opportunities.
